

ESSENCE

Counter Dining by Stefan Taylor

Covid-19 information.

During these times for the safety of both our guests and our staff we follow all the restrictions set by the Swedish government.

Hand Sanitizer is provided at the door of the restaurant. All guests must disinfect their hands when entering the restaurant.

There should be no crowding at the door, please hang your jacket behind your seat and not by the entrance.

If you visit our restroom during the evening please make sure that there is no line at the door before you do.

We provide the legal requirement of one-meter distance between each group of guests.

We do not accept reservations of more than eight guests in one group.

We do not permit the sale of alcohol after 22.00 and the restaurant closes at 22.30.
